Re: Adopt Our Community

To Whom It May Concern,

As the Member of Parliament for Richmond East—Steveston, I am pleased to extend support to *Adopt Our Community*, a youth-led non-profit organization dedicated to empowering young people to address local issues and strengthen community connections across Richmond and beyond.

Since its founding in 2017, *Adopt Our Community* has brought together more than 107 youth volunteers through initiatives such as park cleanups, food drives, tutoring programs, and fundraising projects that directly benefit families and neighbourhoods. These efforts have built a foundation of civic engagement, leadership, and collaboration that continues to inspire youth participation in public service.

The organization's mission to educate youth to use their voices and advocate for community issues reflects the shared goal of fostering active citizenship and social responsibility. The Richmond community is encouraged to support *Adopt Our Community* in advancing this important work.

Thank you for your continued support of initiatives that benefit our community.

Sincerely,

A handwritten signature in black ink, appearing to be 'P. Bains'.
